

Glass for Good

Have Fun. Learn Glass. Give Back.

It's a win-win: You learn to make beautiful, fused glass art and Bullseye Glass donates up to \$800 to your favorite non-profit organization or school!

How it works

- Choose from one of the many introductory art glass classes offered at Bullseye Resource Centers.
- Register 8–16 people online for the class you choose. We'll provide a link to the class and registration page that makes signing up easy.
- Show up for a fun, educational experience with your group. All materials are included and you're welcome to bring refreshments to enjoy during class.
- Your finished art pieces will be ready to pick up a few days after class.
- Bullseye Glass will donate up to \$800 back to the non-profit organization or school of your choice!
